Wine List

INTERCONTINENTAL SANCTUARY COVE RESORT

Wine List Philosophy

THIS IS A WINE LIST BUILT FOR FIRE.

Conceived from the depth, nuance, and quiet intensity of cooking over flame.

Our selection favours wines of structure, vitality and character — bottles that come into their own alongside flame-kissed meats, wood-roasted vegetables and the rhythm of the seasons. Each has been chosen not only for its individual merit, but for the way it elevates the table as a whole.

The collection moves with ease between the old world and the new, grounded in producers with an unwavering sense of place. We are drawn to thoughtful viticulture, restrained intervention, and winemaking that honours purity and precision.

This is not an expansive list.
It is a deliberate one.

Alongside the great classic regions, you will find small, independent producers – each selected for clarity, texture and a distinct point of view.

Every wine here has earned its place.
Each is intended to be savoured as it was meant to be – with food, fire, and in good company.
